Khamardih, Shankar Nagar's first BOHK homes

What if the inside didn't end,
but opened into more and

**THE OUTSIDE
WASN'T A VIEW,**
but a continuation of your floor...

...then your home wouldn't end. It would expand.

BEYOND A BHK... INTO A

BOHUK.

Where the outdoors
become your favourite room.

Introducing

Belong where the outdoors is not an escape from home,
but an extension of how you live every day.

3 towers | 152 residences | 2 & 3 spacious BHK

Three iconic towers, rising with grandeur.

Artist's Impression

THE OUTSIDE,
THOUGHTFULLY BROUGHT HOME.

BHK keeps life inside.
BOHK lets life flow outside.

- Wish your living room yoga could stretch out onto the gymnasium?
- Wish your kids' indoor games could spill right into the play area?
- Wish your tea time in your balcony moved straight to the morning sun at the lawn bench?
- Wish your morning prayers at home could step straight into the serene temple area?

NOW IT CAN.
THAT IS

B

H K
LIVING.

Your indoor **blends into**
OUTDOOR

because here the outdoors isn't a place
you visit, it's just a natural extension of
your indoors.

Developer's note

What we've learned over time,

**BUILT INTO EVERY
HOME HERE.**

At Sumeet Urban Nest, we believe a home is more than a space, it is the foundation on which lives, memories, and aspirations are built. Guided by our commitment to quality, transparency, and customer trust, we set out to create a development that blends modern urban living with comfort and community.

Every detail reflects our promise to elevate everyday life with breathable, well-designed homes complemented by world-class amenities and the signature Air Club that offers not just a home, but a lifestyle to cherish. Thoughtful planning ensures that spaces feel expansive and connected, with the indoor spaces flowing seamlessly into the outdoors, creating a sense of ease, light, and openness in every corner.

"We don't just build structures, we craft homes that nurture lives. Sumeet Urban Nest is our commitment to refined, meaningful, and elevated living."

Architect's note

**LIGHT FINDS
ITS WAY IN,**
just the way it should.

Sumeet Urban Nest is a thoughtfully sculpted residential enclave where urban living breathes freely. Its clean linear form rises into a modern minimalist silhouette, offering intelligently planned 2 & 3 BHK homes designed around key Vastu principles.

Conceived by STELLAR Design Studio, the project balances sustainable, functional living with a distinct landmark identity. Its signature lies in the elevated rooftop experience, set apart from the residences to define a striking skyline presence.

Every home is breathable, efficient, and attuned to everyday life. Interactive spill-out zones, natural social pockets, and seamlessly connected indoor-outdoor spaces invite community. Podium recreation, a grand arrival, opulent lobbies, lush landscaping, and secure parking unite architecture, interiors, and landscape in one cohesive, flowing experience.

At the very heart of the community sits the Air Club, where sky, landscape, and lifestyle converge into a destination for connection, relaxation, and rejuvenation.

"At Sumeet Urban Nest, architecture goes beyond residences to shape an elevated urban lifestyle, celebrating breathable living, meaningful connection, and refined leisure."
